The General says:

For that new roof—don't simply ask for "roofing," "roofing paper," "rubber roofing," "tar paper," etc. Ask for

Certain-teed

Quality Roofing Durability Guaranteed

—the roofing that is guaranteed 5, 10 and 15 years for 1, 2 and 3 ply respectively, and is backed by the three largest roofing mills in the world.

It costs you just as much for labor to roof your building with a low-grade un-guaranteed roofing as to roof it with **Certain-teed**.

And it will cost you just as much to do the job over when the low-grade roofing "falls down." The responsible guarantee back of **Certain-teed** Roofing protects you against this double expense.

The amount of **Certain-teed** Roofing required for an average roof, say ten squares, will cost less than \$5.00 over the low grades or unknown brands. This small initial cost is saved many times in the service assured by the manufacturer's guarantee on **Certain-teed** Roofing.

Certain-teed Roofing represents the highest quality possible to make. There are no materials known, which could be used, that would make a roofing withstand the elements for a greater length of time than the materials used in **Certain-teed**.

The wide use of **Certain-teed** Roofing is due to the splendid service it gives on all classes of buildings in all parts of the world.

Certain-teed Roofing is sold at a reasonable price everywhere by dealers who believe in giving unsurpassed quality at a fair profit.

Johnson Intends to Come Back to U. S., It Is Said

Negro Fight Champion Is Reported to Contemplate Return in Hope of Vindicating Himself in Eyes of Former Friends and Fight Followers Since the Reversal of the Court's Decision Recently.

NEW YORK, May 11.—From abroad comes the tidings that champion Jack Johnson has at last decided to return to the land of his birth, despite the various rumors that he had renounced his allegiance to the Stars and Stripes and had become a citizen of "Gay Paree."

This decision on the part of "Lil' Arthuro" was influenced in a great measure by the action of the court of appeals of Illinois in reversing the decision of the lower court, under which Johnson was sentenced to pay a fine of \$1000 and spend one year in jail. This reversal of the lower court carries with it an order granting the negro fighter a new trial and it is understood that it was because of Johnson's desire to vindicate himself in the eyes of the sporting world that he finally decided to come back and face his accusers.

This change of policy on the part of the champion will help to a considerable extent to regain for him the many friends that he lost during the late years of his career.

Concerning His Conviction. Although I hold no brief for Johnson, he being no sweet scented violet in matters of morality, yet few people believed that he was rightfully convicted.

Refused to Fight. With the unexpected offer of a chance to fight Tommy Burns for the world championship, he displayed the only real businesslike ability of his whole career, by refusing to enter an agreement to fight or frame, but through his clever, honest efforts he won for himself true recognition, the world over, and he has fallen for the enticement to fight, his career as a fighter would have ended and the opportunity of meeting Jeffries and annexing the title would have been denied him.

After his victory over Tommy Burns in Australia, the good fortunes of luck and wealth began to shine upon him and finally when he was matched with Jim Jeffries for the world title, which he won by a knockout, he was at the zenith of his fame.

His Head Was Turned. The financial result of both these battles was such that instead of being viewed as a wandering scamp, he was transformed into a popular hero with numerous red autos at his disposal and thousands of dollars at his command, along with a tremendously flattering power to attract attention wherever he went.

It is little wonder that the head of this ignorant and uncultured negro was turned with flattery, and with a result that he did many foolish things that he would not have otherwise done. Many other men of even greater intelligence than this unlettered fighter would have lost their bearings, but perhaps with a little less notoriety than greeted every action on the part of this unfortunate fighter.

Helping Kidneys By Clearing Blood. A Function Greatly Assisted By a Well-Known Remedy.

Most readers will be interested to more clearly understand why analysis of urine is so important. In the use of S. & S. to purify the blood, its action is a stimulant to the blood-forming vessels that make up the constructive tissue of the kidneys. All the blood from all over the body must pass through the kidneys. They act as filters and excretors. And according to what they allow to pass out in the urine, both as to quantity and materials, the health of the kidneys and the quality of the blood is determined. The catalytic energy forced by S. & S. is shown in the urine. It is also demonstrated in the skin. And as the blood continues to sweep through the kidneys the dominating nature of S. & S. acting as it does through all the avenues of the kidneys and the quality of the blood is determined. The catalytic energy forced by S. & S. is shown in the urine. It is also demonstrated in the skin. True specialism spells success, medicine being too broad a field for one man to cover, even in a dietary way, all of it, and all sick men should keep these facts in mind; if you have eye trouble, consult an oculist; if ear trouble, an aurist; if you need an operation, consult a good surgeon; and if you have a burning fever or any acute general trouble, call in your good old family doctor. On the other hand, if afflicted with a deep-seated Chronic, Nervous, Blood or Special Trouble, consult us. We will first make a thorough examination, find out the cause, and if we can remove it, will accept your case for treatment under the only genuine guarantee, which is skill and ability, coupled with an honest business policy. Our charges are always reasonable and terms easy; if responsible, we will extend credit.
